 - c) follow the LAMBRA bylaws including any contracts or agreements with other organizations as indicated in the bylaws.
 - d) Submit by February 1st payment to the Association of annual dues in the amount of \$100.00.

4 Elections and Voting

- 4.1 Officers will be elected at the annual meeting. Officers will be elected from the body of LAMBRA member organizations. They will hold office for two-year terms beginning on January 1st. An officer may be re-elected; however officers may hold office for no more than two consecutive terms in a single position unless no person wishes to take on the roles of the position
- 4.2 The President or designated representative of each member in good standing of LAMBRA shall have one vote. In the event of a tie vote, officers shall vote to break the tie.
- 4.3 Voting will normally take place at an official LAMBRA meeting. In order for voting to be valid, a quorum of 50% of the Board of Trustees must be present.
- 4.4 On issues requiring resolution, as determined by the LAMBRA President, voting can be conducted via email and/or telephone.
- 4.5 Officers can be removed before the annual election by a 2/3 vote of the membership.

5 Activities and Programs

- 5.1 Coordination of an organized and balanced race calendar: Before each race season, LAMBRA officers and the Board of Trustees shall establish a race calendar with minimal overlap of events and no overlap of LCCS events.
- 5.2 Communication: The Association shall foster effective communication among racers, clubs, race promoters, USA Cycling, and the public through the establishment and maintenance of a website, statewide mailing list and other methods as determined by the officers.

- 5.3 LAMBRA Cycling Cup Series (LCCS): The Association shall coordinate the LAMBRA Cycling Cup Series (LCCS) that rewards Best-All-Round (BAR) riders and clubs using a points-based ranking system.
- 5.4 LAMBRA-USAC Championships: The Association shall award LAMBRA championship status to selected LAMBRA championship races in the following disciplines: Road Race, Criterium, Individual Time Trial, Team Time Trial, Track, and Cyclocross. Race requirements and championship awards shall be described in the LAMBRA Championship Rules and Regulations (attached).
- 5.5 Cooperation and Efficiency: The Association will seek to increase and foster cooperation and sharing of resources to minimize the cost and effort involved in event promotion and organization.
- 5.6 Developmental Racing Program: The Association shall establish a developmental racing program consisting of camps, clinics and/or races designed to attract and nurture new and developing competitive cyclists.
- 5.7 Officials Clinics: The Association shall conduct officials clinics as needed in order to maintain an adequate number of licensed USA Cycling officials. The Association shall reimburse new officials for the cost of their first USA Cycling official's license fee, as finances permit.

6 LAMBRA Cycling Cup Series (LCCS)

- 6.1 The Association shall administer an annual points-based event series, the LAMBRA Cycling Cup Series (LCCS) for the road. The LCCS shall provide a system which uses a points schedule to rank member clubs and individual racers as specified in the LCCS Rules and Regulations.
- 6.2 LCCS Promoter Eligibility Requirements: A promoter or promoting organization may request to include its race event as part of the LCCS. In order for an event to be included as part of the LCCS, the promoting club, independent Race Director, or race promoting organization must be a member in good standing of LAMBRA and agree to the following:
 - a. Payment of a \$2.00 per rider event surcharge to the Association, except for events designated as USA Cycling LAMBRA Championship Events, for which the surcharge shall be waived.
 - b. Adherence to all USA Cycling rules and regulations, including event permitting and post-event reporting and payment.
 - c. Adherence to all LCCS Rules and Regulations (attached).
 - d. Provision of complete and accurate results to the LAMBRA LCCS coordinator in a format suitable for LCCS scoring and reporting to the USA Cycling Results and Rankings System.

7 LAMBRA Championship Events

- 7.1 The Association shall award championship status to selected Road Race, Criterium, Individual Time Trial, Team Time Trial, Track, and Cyclocross races based on event quality, promoter and race director qualifications, and other considerations related to the annual calendar, geographic location and accessibility, etc.
- 7.2 The Association shall establish a recognition system for LAMBRA champions as defined in the LAMBRA Championship Rules and Regulations.
- 7.3 Rider Championship eligibility shall be determined by LAMBRA and shall be in accordance with USA Cycling rules and regulations.
- 7.4. Championship race events and awards will encompass the entire LAMBRA district and not be divided into states within it.

8 Event Documents Processing

- 7.1 All LAMBRA members must submit their pre/post event documents, reports and payments to the appropriate LAMBRA representative and/or USA Cycling as required by USA Cycling and LAMBRA.
- 7.2 LAMBRA members shall be required to ensure that event results are submitted to the LAMBRA webmaster in a timely manner.
- 7.3 LAMBRA shall ensure that pre/post event documents and race results are submitted to USA Cycling in a timely manner as required.
- 7.4 Results from events containing timed components must include recorded times for the purpose of record evaluation.

9 Event Scheduling

- 8.1 LAMBRA will hold an annual meeting to plan the calendar for the following year and adopt new or modify existing bylaws. Members should be prepared to commit to dates and types of events as much as possible at this meeting.
- 8.2 Changes to dates and events will be allowed throughout the year, however, changes in event dates or cancellation of events will result in the loss of date priority for the following year. Members wishing to add events should be willing to accept the dates that are still available and to provide six weeks notice before the event.
- 8.3 At the annual calendar meeting, successful events from the prior year will receive date priority for the same (equivalent) weekend in the succeeding year. In the event that a conflict arises that can't be resolved by the promoters, the LAMBRA officers will vote to resolve the conflict, taking into consideration issues such as availability of course, distance between the two events and other open weekends. No two LCCS events will be scheduled on the same day.

10 Developmental Programs

- 10.1 LAMBRA shall conduct the following developmental programs:
 - Beginner rider clinic.
 - Officials' clinic.
 - Velodrome Safety Seminar.
 - Promoter mentoring program.

11 Race Equipment Program

- 11.1 The Association will maintain a race equipment program consisting of cycling resources that have been acquired by LAMBRA and that promoters can use at their events. In order for promoters to be included in the race equipment program they must adhere to the following guidelines:
- 11.2 Only LAMBRA members in good standing will be eligible to be part of the race equipment program.
 - Race events that are included in the LCCS will have priority access to the race equipment program.
 - Promoters shall coordinate their usage of the equipment with the Commissioner of Officials.
 - Promoters shall be responsible for transporting and handling of the race equipment during the period of their use of the equipment.

- Promoters shall be responsible for replacing race equipment that is damaged due to the promoter's neglect during the period of their use of the equipment.
- If an organization or promoter is not in good standing with LAMBRA and wishes to hire the equipment they will be charged a \$500 deposit with \$250 refundable on timely return of equipment and a signed rental contract.

12 Financial Data

12.1. Funding

LAMBRA will seek funding by:

- a. USA Cycling: LAMBRA may enter into agreements with USA Cycling, Inc. and may receive a percentage of annual license fees sold to individuals in Louisiana and Mississippi, to be paid quarterly.
- b. LCCS Surcharge: Promoters of each LCCS endorsed event may be required to submit a per-rider surcharge as determined by the Board of Trustees (see 6.2a above).
- c. Sponsorship: Soliciting corporate sponsorship.

12.2 Financial Reports

A (calendar) mid-year and end-of-year financial report shall be prepared by the secretary-treasurer and distributed to all officers and made available to members upon request. It shall be the responsibility of each member club to make these reports available to its members upon request. LAMBRA shall complete the required disclosures and annual information returns in accordance to the Internal Revenue Service filing requirements.

12.3 Equipment Purchases

LAMBRA shall fund the purchase of equipment that can be used by members in good standing and used , with LCCS sanctioned events receiving priority. The member using the equipment shall be responsible for transporting the equipment from the previous race to the race at which it is needed. Members will be responsible to safeguard and care for the equipment until it is passed on to the next member club.

12.4 Nonprofit Status

LAMBRA has applied for qualification for exemption from Federal Income Tax as non-profit organization under Section 501(c)(3) organizations. LAMBRA shall operate exclusively for the purpose of fostering national amateur sports competition as a Qualified Amateur Sports Organization. LAMBRA shall be organized and operated exclusively to foster national amateur sports competition and primarily support and develop amateur athletes for that competition.

13 Bylaw Changes

The LAMBRA Bylaws must be approved by a 2/3 vote of those present and eligible to vote. Changes can only be made by a 2/3 vote of the membership present at annual meetings or online at any time.

14 Organizing Document

Refer to the attached "Articles of Association" of the Louisiana Bicycle Racing Association, DBA Louisiana-Mississippi Bicycle Racing Association; the provisions listed in these articles shall serve as the organizing document that created the Louisiana Bicycle Racing Association. These articles enact this document, the Louisiana-Mississippi Bicycle Racing Association Bylaws, as the official document by which the Louisiana-Mississippi Bicycle Racing Association organizes and operates.

LAMBRA CYCLING CUP SERIES (LCCS) AND LAMBRA CHAMPIONSHIPS RULES AND REGULATIONS

LAMBRA Cycling Cup Series (LCCS)

Definition

The LCCS is a yearlong Best All 'Round points competition for individuals and teams based on results from Road events (Road Race, Criterium, Individual Time Trial, Team Time Trial, Stage Race) that have received the LCCS designation from LAMBRA and meet the LCCS event requirements specified in the LAMBRA Bylaws and below.

Rider Eligibility

All riders holding current annual USA Cycling licenses and who are listed on the official USA Cycling-Road database at the time of the race event shall be eligible to earn points in the Louisiana Cycling Cup Series (LCCS) points competitions. Riders purchasing or renewing licenses on the day of the race are therefore not eligible for LCCS points until their licenses are processed by USA Cycling.

Rankings

Types of Rankings: The LCCS will provide rankings for both individual riders and registered USAC clubs for Road events (Road Race, Criterium, Individual Time Trial, Team Time Trial, Stage Race) in accordance with the rules and regulations below.

Individual Rankings

Individual rankings will be determined by total points earned in the rider's top four (4) races in each road discipline (Road Race, Criterium, Individual Time Trial) plus the rider's top two (2) Stage Race's (GC) in each LCCS class/category during the calendar year.

Ties: Final points ties will be broken by the highest number of 1st place finishes, if still tied then 2nd place finishes, then 3rd place finishes, etc.

Upgrades: Racers who receive Category upgrades in any discipline during the season will retain their points in the category in which they were earned, however points will not be transferred from one category to another. Rider categories shall be determined by reference to the official USA Cycling database.

Club Rankings

Club rankings will be determined according to the sum of the individual LCCS points totals earned by member riders during the calendar year.

Club Changes: A Club will earn LCCS points only for riders who are official members of that club at the time of the event, as indicated on their annual USA Cycling road racing licenses. .

Club Points Eligibility: Only LAMBRA member clubs in good standing will be eligible to win the Club/Team award. Clubs not in good standing will have no club points awarded and points will not be retroactive.

Ranking Updates and Protests

Updated LCCS rankings will be posted to the LAMBRA website as soon as possible following each LCCS event. Protests of LCCS event scoring must be communicated in writing to the LCCS Ranking Coordinator

within seven days of the official announcement that the LCCS results were updated with results of the event in question and were posted to the LAMBRA website.

Recognition System

The LCCS shall provide a recognition system that rewards the Best All 'Round (BAR) riders and the LAMBRA club with the highest points totals in the LCCS rankings at the end of the calendar year.

- The highest-ranked LAMBRA club will receive the Team LCCS Trophy for the following year.
- LCCS class/category winners are allowed free entry to the following year state championship events.
- The highest-ranked riders from the following LCCS classes/categories shall receive awards as follows:

LCCS BAR ROAD AWARDS	
Cat. 1,2	Jersey
Cat. 3	Jersey
Cat. 4	Jersey
Master 40+, Cat. 1-4	Jersey
Master 55+	Jersey
Women Cat. 1-3	Jersey
Junior (Overall)	Jersey
Junior 10-14	Jersey

LCCS Road Events: Rules and Regulations

Classes and Categories

An annual LCCS points competition shall be conducted for the following Road Race classes and categories. Required classes/categories must be offered and scored at every LCCS race. Optional classes/categories may be run and scored at the promoter's discretion provided they are listed as separate competitions on the event announcement. Other non-LCCS races may be offered, but will not be scored as part of the LCCS points series.

Required

Category 1-2 (may be combined with Category 1,2 but shall be scored separately.)	Master 40+ Cat. 1-4
Category 3	Junior
Category 4	Women Cat. 1-3 (may be combined with Category 4 but shall be scored separately.)
Category 5 (<u>Not scored for individual LCCS, however clubs receive one point for each Cat. 5 member who finishes a Cat. 5 race.</u>)	Women Cat. 4 (<u>Not scored for individual LCCS, however clubs receive one point for each Cat. 4 member who finishes a Women's race. May be combined with Women Category 1-3 but shall be scored separately.</u>)

Optional

- Master 55
- Category 5 B (Beginners. Must have less than 5 mass starts)

Combined-Category Race Scoring

Combined-category races are not recommended but may be offered when necessary at the promoters' discretion. In races where LCCS categories/classes are combined and no other races are offered for those categories/classes, points will be awarded on overall placing within each class/category (i.e. the race will typically be re-scored for each class/category as if they raced as an individual race). See Appendix A, LCCA Combined-Category Scoring Examples, for a breakdown of scoring for most combined-category situations.

Combined-Category Scoring Table

See Appendix A.

Combining of Road LCCS Classes and Categories at Events

Promoters may combine races for any mass start event with fewer than 10 participants. However, when races are combined, promoters will score the LCCS classifications separately for the purpose of LCCS points.

LCCS Road Points Tables

LCCS Road Points Schedule

Points shall be awarded according to the table below for LCCS road, track, individual time trial and stage races.

Road Race, Criterium, Individual Time Trial, Team Time Trial

This table is used for road races, criteriums, individual time trials and team time trials that are not part of time-based stage races. Races at omnium events in which riders are not required to finish the prior stage in order to race in the next will be scored individually using this table.

Special LCCS Road Event Rules

USAC State/District Championships that are also LCCS events

USAC State/District Championship road race events that correspond to LCCS classes/categories will be awarded the same points listed in the appropriate LCCS Points Schedule. Additional LCCS awards, such as championship omniums, may be designated and announced in advance by LAMBRA as resources permit.

Special rules regarding combining of classes and categories for District Championship races in order to comply with USAC championship guidelines must be approved in advance by the Association and communicated to riders on the official event announcement.

Team Time Trial Championships that are also LCCS events

All riders on a team must hold current USAC annual road licenses in order for any of them to be eligible for LCCS points. Points will be awarded only for team standings. For teams that include riders who are racing outside of their correct categories (a Cat. 4 rider who is on a Cat. 1/2/3 team), points will be awarded only to those riders racing in their correct categories (the Cat. 4 rider would not receive points).

Track Championships: Rules and Regulations

LAMBRA - USAC District Track Championships

The USAC/LAMBRA Track Championships should be held over a one or two-day period with provisions for rescheduling in the event of rain. The event promoter must offer at least the required classes, categories, and races listed below.

Track Championship Classes and Categories

In addition to USAC medals for individual race winners, LAMBRA will provide championship awards based on the Omnium results from the LAMBRA Track Championship event for each required class/category listed below. Omnium points may be scored in individual events only. In order to qualify for LAMBRA track championship jersey / trophy, each omnium division must have at least the minimum number of starters indicated in below. In order to qualify for LCCS championship jersey / trophy, each race must have at least three starters.

Required Classes and Categories	LAMBRA Track Omnium Awards
Category 1,2,3*	Championship Jersey
Category 4	Championship Jersey
Category 5	Award
Masters 45+	Championship Jersey
Women	Championship Jersey
Juniors	Championship Jersey

* (Cat. 1,2 and Cat. 3 to be run together but scored separately for championship omnium points)

Track Championship Required Races

1k Time Trial (Men)
 500m Time Trial (Women)
 Points Race
 200m Time Trial
 Scratch Race
 Matched Sprints

Promoters may include additional individual race in the championship omnium.

Combining of Track Championship Required Classes and Categories

Required Classes and Categories are to race separately, provided their field minimums are met. For individual events, required classes/categories that do not meet the minimum field sizes may be combined with the next more advanced class/category according to the following hierarchy: Cat. 1,2,3; Cat. 4; Cat. 5; Master 45+; Women; Junior. When required classes and categories are combined, they are to be scored separately. In team based races such as Team Pursuit, 1k Team Sprint, etc., where the team's members are composed of differing classes/categories, teams compete in the category/class corresponding to the highest category/class represented on the team. Team events are not included in the track championship omnium scoring, but are included as championship medal races.

Cyclocross Championships: Rules and Regulations

General

The LAMBRA Cyclocross championship event rules and regulations are designed to encourage cyclocross event promotion and participation.

Cyclocross Required Classes and Categories

In addition to USAC medals for individual race winners, LAMBRA will provide championship awards as listed below. In order to qualify for LCCS championship jersey / trophy, each race must have at least three starters.

Required Classes and Categories	LAMBRA Omnium Awards
CX Category 1,2,3	Championship Jersey
CX Category 4	Championship Jersey
CX Masters 40+	Award
CX Women	Award
CX Juniors	Award

* (Cat. 1,2 and Cat. 3 to be run together but scored separately)

Combining of Cyclocross Championship Required Classes and Categories

Required Classes and Categories are to race separately, provided their field minimums are met. For individual events, required classes/categories that do not meet the minimum field sizes may be combined with the next more advanced class/category according to the following hierarchy: Cat. 1,2,3; Cat. 4; Master 40+; Women; Junior. When required classes and categories are combined, they are to be scored separately.
